

Seeros Daycare Nursery

Terms and Conditions

Fees are payable on the first day of attendance.

If fees are missed for a period of two weeks or more then the nursery has the right to exclude your child from the premises until full payment has been made. If the full payment is not received the debt will be passed on to a debt recovery company who also charge interest.

All holidays are paid for in full including Bank and Public Holidays. If we have to close due to severe weather conditions then fees are still payable.

When your child is sick then full fees are still required. A doctor's note may be required by the nursery depending on the nature of sickness before your child can return to the nursery. The nursery reserves the right to exclude any child in the event of illness or threat of infection to the other children.

A child will not be allowed home with any other persons other than the person who normally collects him/her, unless by prior notice with either a photograph or password.

Parents are required to provide adequate amounts of nappies and wipes for your child whilst attending the nursery.

Parents are asked to provide adequate suncream and a sun hat for their child during the summer months. Failure to provide will result in your child being unable to join in with full outside activities. This is due to children having reactions from various suncreams.

All allergies and medication must be detailed on your child's enrolment form. Any prescribed medication must be signed for before any medicine can be administered.

All children must be off the premises by 6pm prompt, otherwise a charge of £1 per minute will be made.

Fees are paid by Standing Order
